Approved Venue Ceremonies

This venue currently holds a licence issued by Suffolk County Council which enables marriage, civil partnership, renewal of vows and naming ceremonies to be conducted here in designated areas.

The Registration Service in Suffolk would be delighted to be part of your special day and prides itself on offering a friendly and personal service. The ceremony choices are more extensive than those offered in the Register Office and our unique framework includes several opportunities to personalise the ceremony to your own wishes. You will be allocated a Registrar and are given chance to meet them beforehand for a ceremony planning discussion.

Most ceremonies last about 30 minutes and can contain live or pre-recorded music and poetry. However, religious liturgy and worship music is not permitted in a Civil Ceremony.

You can hold your ceremony at any time between the hours of 8am and 5.30pm any day of the year (Excluding Christmas Day and Good Friday) subject to availability.

If you are planning a Naming or Renewal of vows ceremony, there is even greater flexibility of time offered.

The District Register Office responsible for ceremonies please contact Stowmarket Register Officer. If you would like to check our availability for your chosen date please call us on 01449 612054.

We will guide you through the booking process and advise you on the legal preliminaries which need to be completed.

We look forward to meeting you...

Yours sincerely

The Registrars

Sole Use Wedding Venue

Should you wish privacy on your Wedding Day, we can arrange exclusive use of our facilities for the day. This would provide you with 36 bedrooms, or at least the peace of mind of knowing all your guests will be under one roof.

This would also include the use of the function room for your evening event and the crystal room for your ceremony. Essentially the hotel would be closed to any other business for the day and night of your celebration.

In addition to the cost for this you would need to add any drinks you wish to include your wedding breakfast and evening buffet along with any breakfasts for your guests staying in the bedrooms.

If this appeals to you and you would like to have some more information, this can be discussed at an arranged meeting.

... exclusive use ideal for
